[Redacted]

STAT

Dear [Redacted]

STAT

I would like to express a most sincere appreciation and thanks on behalf of the JCS-PSS Joint Working Group on Ground Photography for the hospitality and courtesies extended to us by [Redacted] during the course of our meetings in [Redacted] on 6-7 November.

STAT
STAT

It was a real pleasure to meet you personally at the fine luncheon meeting we had on Friday at the [Redacted] and this event further compounded our collective appreciation of and satisfaction with the excellent dinner of the preceding evening which [Redacted] tendered us as a co-host with [Redacted]

STAT
STAT
STAT

Most particularly, however, our group wishes to record its thanks for the series of stimulating technical presentations offered by [Redacted] and their separate assistants on your engineering and research staffs. To judge from the informal commentary of our group, these papers were instrumental in suggesting new ideas and approaches to problems in photo technology and I would anticipate that the individual organizations represented might soon be contacting [Redacted] to explore in some detail the implications and possibilities for new applications of the materials and techniques described to us.

STAT
STAT

We were impressed with the planning and advance coordination effected by [Redacted] and all of us are grateful to him for the many details he attended to which contributed in large measure to the success of our meeting.

STAT

This has been one of the most successful meetings of our working group to date and I would repeat my official and personal thanks to you and the members of the [Redacted] who helped to make it so.

STAT

Very truly yours,

Arthur C. Lundahl
Chairman, JCS-PSS
Working Group for Ground
Intelligence Photography
